

Hi Everyone,

Sandy and I will be out of the office next week attending a WIC EBT conference. I will then be in Kodiak the following week with Jennifer Johnson completing the KANA ME. Becky Carrillo will be acting WIC Program Director in my absence.

Eric Hunter has decided to leave Juneau and go down south to pursue his graduate degree. If you have questions that would normally go to Eric, please contact Alice.Albrecht@alaska.gov or Sandra.Harbanuk@alaska.gov.

Take care,
Kathleen

1. WIC Warrants/BF Supplies---Just a reminder to LAs to submit warrant stock requests before their supplies are dangerously low. Also that anyone needing any breast pump supplies should contact Amy.George@alask.gov .
2. WICHealth.org--Due to security reasons we will now be requiring the following information be provided by clients when creating an account.

- o First name
- o Date of birth
- o Email address

Please let us know if you have any questions regarding this change.

Thanks
